Cutting length	45-9999mm
Capacity	3000-4500pcs/hour
Crimping force	2.0T
Applicators	30mm or 40mm strokes for optional
Air pressure	0.4-0.6Mpa
Detection	Wire run out, low air pressure, terminate error (Crimping force monitor is optional)
Power	220V/110V/50/60HZ
Display language	English
Dimension	700*800*1500mm
Weight	358Kg

Features:

- This is a fully automatic 2-ends wire cutting, stripping, and crimping machine for AWG28~AWG12.
- The highly flexible and electronically controlled bench top unit accepts most universal or mini-style applicators for crimping both side-feed and rear-feed open barrel terminals.
- You can also save your settings in a program file number, so that you can easily retrieve them next time.
