

RJ45 terminal crimping machine

Product Code: GMT-109

CRIMPING MACHINES SERIES

Technical Index: Tech-Parameters

Specification	Details
Power	220V 60Hz
Applicable	2P-8P8C
Stroke	25mm
Overall dimensions (L*W*H)	320x180x160 mm
Machine Weight	12 Kgs

SALIENT FEATURES

- High-speed motor, faster working efficiency
- Operated by foot switch, more stable and high efficiency
- High-precision jaws to prevent compression deformation
- Compact and light
