

# **Cutting, stripping & twisting Special for two core at cable.**

Product Code: GMT-206T

WIRE PROCESS MACHINES SERIES

**Model: GMT-206T**

| Specification                   | Details  |
|---------------------------------|--|
| Dimensions                      | 680 x 570 x 280 mm   |
| Weight                          | 48 kg  |
| Display mode                    | English interface LCD display  |
| Power supply                    | AC220V/50Hz  |
| Stripping length                | 0 ~ 50 mm  |
| Stripping the inner core length | 0 ~ 15 mm  |
| Twist length                    | 0 ~ 15 mm  |
| Cutting Length                  | 0.1 mm -- 99999 mm   |
| Cutting tolerance               | < 0.002 x L mm (L = cutting length)                                  |
| Tool materials                  | Import quick-cutting steel   |
| Type of drive                   | Four-wheel drive   |
| Purpose                         | Automatic cutting, stripping outer skin, and twisting the inner skin |
| Applicable wire                 | Double core sheathed wire, electronic wire, data wire, etc.          |
