

# **Cutting, stripping for Multi-core Cable Special for Round multi-core cable**

Product Code: GMT-208

WIRE PROCESS MACHINES SERIES

**Model: GMT-208**

| Specification                   | Details                             |
|---------------------------------|-------------------------------------|
| Dimensions                      | 570 x 410 x 280 mm                  |
| Weight                          | 36 kg                               |
| Display mode                    | English interface LCD display       |
| Power supply                    | AC220V/50Hz                         |
| Applicable cable                | OD 2 to 7.5 mm, 1-4 cores           |
| Stripping length (outer sheath) | 0-80 mm                             |
| Stripping length (inner core)   | 0-10 mm                             |
| Cutting Length                  | 1 mm -- 99999 mm                    |
| Cutting tolerance               | < 0.002 x L mm (L = cutting length) |
| Diameter of catheter            | 4 mm, 6 mm, 8 mm, 10 mm             |
| Tool materials                  | Import quick-cutting steel          |
| Applicable wire                 | Electronic wire                     |
