

Full automatic dual end tinning machine. Automatic cutting cable, stripping skin, tinning, all in one machine.

Product Code: GMT-220

WIRE PROCESS MACHINES SERIES

Technical Index Tech-Parameters

Specification	Details
Display	Touch panel
Function	Cut, single/double stripping, twisting, and tinning
Production Rate	Less than 100mm: 6000~8000 pcs/h 20-32 AWG, 8-wires once: 6400-10000 pcs/h 16-20 AWG, 3-wires once: 2700-4000 pcs/h
Cutting Tolerance	$0.2 + 0.02 * L$ mm
Cutting Length	30~550 mm (longer lengths can be customized)
Stripping Length	0-9 mm
Tinning Length	0.5~9 mm
Twisting Length	3~9 mm
Air Supply	0.5~0.7 MPa
Machine Dimensions (L*W*H)	1210 x 770 x 1370 mm
Machine Weight	400 kg
